SUPPLY AND APPLICATION OF ROAD DUST CONTROL CHEMICAL PRODUCTS

THE RURAL MUNICIPALITY OF SPRINGFIELD

The Rural Municipality of Springfield requests a quotation for magnesium chloride for dust suppressant.

Please provide a base price per litre, excluding all taxes. List both PST and GST separately. All invoices shall be submitted thru the Municipalities Trading Company Manitoba Limited (MTCML)

1. supply to Municipal storage tanks,
2. supply and apply to municipal roadways,
3. cost if picked up by Municipal equipment at your yard site.

The Municipality generally orders approx. 1.2 million liters per season.

The supplier, after contacted by the Municipality, would also have to provide delivery within 24 hours, to the Municipal yard site in Oakbank during the regular hours of operation of the Public Works Department, as well as fill spray trucks on site daily as required to reduce time and increase efficiency as deemed necessary by the municipality. If any after hour's delivery was required by the supplier the Municipality would provide a contact number.

If you have any questions or concerns please contact the Public Works Director, Blaine Moffat, at 444-2241.

The Municipality reserves the right to reject any and all quotations, if in the opinion of Council, not to be suitable, or satisfactory, for any reason.

The Submission Deadline is 12:00 p.m. Winnipeg time, March 1st, 2012., by fax, mail or drop off, to the:
