

The Rural Municipality of Springfield offers residents of Springfield up to 50 cyds of gravel per property from Municipal pits. The cost is \$7.21 per cyd. (taxes included). The resident must arrange and pay for own hauler to deliver the product from the Municipal pit. Permits can be obtained from the Public Works Department and are valid for seven days. Residents should call in advance to find out what pit, if any, the RM is operating at the time they want to purchase the permit.

Road restrictions apply for haulers using Municipal roads.

The Public Works Department accepts cash or cheque only. Fees are subject to change.

Thank you.
