

Hello to all and thank you for your involvement with the Food Bank.

If you have items in your bins that you would like to deliver to the Food Bank, please call any of the individuals below to arrange a drop-off time. Alternatively, if you do not have a driver that is able to deliver the items, please contact us and we will have one of our volunteer drivers stop by and pick these up.

Just as an update, we now have a fridge and freezer at the Food Bank and have been able to provide families with both bread and baked items in addition to the tinned and dry goods. We were also fortunate to receive a quantity of cheese slices which are being distributed as well. As always, the items that we are able to provide will vary from week to week however to date, we have had a very positive response from our community - and certainly from our community grocery stores!

The Food Bank is currently open Saturday mornings from 10:00 am to noon. In the future, we hope to extend these hours as needed to meet the needs of those accessing the resource. If you are aware of a family who would like to access the Food Bank but is unable to do so on a Saturday morning, again, please contact us and we will gladly make alternate arrangements for them.

Thank you again for your support.
